Dear Sir:

Applicant submits herewith an executed Declaration and Power of Attorney for the captioned application. Applicant has not yet received a Notice of Missing Requirements from the U.S. Patent Office, but believes that submission of the Declaration before the issuance of the Notice would help to expedite processing of the application.

The appropriate form PTO-2038 is enclosed for this purpose. Applicant is a small entity. If the credit card is unable to be charged, please charge any and all fees or credit any overpayment to Deposit Account No. 06-0308.

Respectfully submitted,
